--	--

COMES NOW the United States and requests this Honorable Court to unseal the application and affidavit for search warrant, the search warrant and all attachments in this matter. The government so moves the Court because the grand jury has returned an indictment that relates to the seizure of evidence pursuant to the search warrant. The government is obliged to provide a copy of the search warrant application, affidavit, warrant and all attachments to counsel for all defendants as part of the discovery process.

Accordingly, the government moves the Court to unseal the application and affidavit for search warrant, the search warrant and all attachments for the limited purpose of discovery.

DATED this 2<sup>nd</sup> day of February, 2012.
